What's been happening in SLAM?

So glad you asked!

We made it through the first month! We had an Open House that let us introduce the new programs and get the kiddo's info! During the month of August we have learned that Snickers doesn't satisfy like Jesus and M&M's are nice to share - but Jesus is better! I think the majority favorite was the Wednesday we spent learning that we can eat Reese's in many ways, but there is only ONE way to Heaven and that is through Jesus.

The kiddo's have been practicing a new song, "God's Not Dead". They have also been learning hand motions to go along with it! We are hoping to perform one Sunday morning! Keep an eye out for that date!

We love seeing all the kiddo's sporting their new Wednesday night gear!

Exciting things in Little LAMBS!

The little ones have been having a blast learning bible stories and worshipping through music! Ask them about the story of Moses!

Getting caught up in JAM...

JAM has been busy this past month and don't have any intentions of slowing down! In September they will be wrapping up the 7 Days of Creation and will be starting a Bible Zoo series! Their memory verse is 1 John 4:16b.

They will be covering:

- Daniel & the Lions
 - God Keeps Me Safe
- Jonah & the Fish
 - God Can Forgive Me
- Elijah & the Birds
 - God Takes Care of Me

Don't forget to invite your friends and neighbors!
